## Notes from the President

Hello everyone,  
For those who were not able to attend the Annual Meeting you may be surprised to know I am still President of the Board. Though it was my wish to step down, no other residents showed an interest so I decided to continue on rather than leaving the position vacant.

To help with the work load Randy McGillis has taken on the duties of Vice President, since former President/Vice President Rick Wagener is often out of town due to his work schedule as an airline pilot. With some help from other board members I believe things will be manageable.

There is, however, two areas we need some help with, first being someone to take on the task of putting this newsletter together and getting it to Mike Wood for printing. Amy Bunch has been doing it for a while now and because of family obligations and work schedule, she would like to take this off her plate. Secondly, we need some "one" or "ones" to organize the Christmas party. This was organized by Amy Bunch last year and was a great success. Amy is willing to help, but needs someone to lead the way this year. I

Certainly hope we can continue this tradition. I hope everyone is enjoying their summer even though it seems to be going by so quickly, Hope to see you all at the annual picnic.

Warren DeWitt  
Rochdale HOA President

**Good luck to those students going back-to-school in September!!!**
