Fall Issue

Hello Neighbors

I hope everyone has had a chance to enjoy another Michigan autumn. Won't be long before we'll be reaching for the snow shovels and making snowmen. I personally can't wait.

For those of you who attended the Halloween party for our little residents, I hope everyone had a great time. Thanks to Trisha Cox and Caryn DeWitt for planning the event and Mother Nature for providing great weather.

I'd like to apologize for the delay of the new directories. Though scheduled for earlier this year we had so many pending changes I was trying to hold things off so it could be more accurate. Not seeing a clear end in sight, we are going to move forward and print soon, so please watch your mailboxes. We currently only have half of the residents' addresses and would like to have more. By providing this information, it

can be an excellent way to communicate with residents. While there is still time, please provide your email address to Tiffany (msfron1379@gmail.com), Board Secretary.

Those who attended the holiday party last year had a good time and said they would like to do it again. Amy and Mark Bunch did a great job organizing last year, but it was a lot effort. We would like to continue the tradition this year, but the event will be a little more casual. Please see the attached flyer for more details.

The next Board Meeting will be held on Tuesday, December 3rd at 6 pm at City Hall (upstairs conference room 221). All are welcome to attend. If there is anything you would like added to the agenda please let me know. Enjoy the holidays!

Warren DeWitt
Board President

Second Annual Halloween Party

The Second Annual Subdivision Halloween Party was held on Sunday, October 27th from 3-5 pm in the park.

Of the 19 kids who attended, the older kids participated in the Halloween themed games that included eating a donut off of a string, the mummy wrap and throwing balls into pumpkins.

The families also enjoyed hot apple cider and donuts, and some cooked hot dogs

over the fire. Those who attended enjoyed the party and the great fall weather!
