

## ANNUAL SUB KIDS' HALLOWEEN PARTY

On Sunday, October 25, 2015, we are hosting the Annual Sub Kid's Halloween Party.

**Who:** The kids and grandkids of residents 11 years old and under

**What:** Are invited to wear their costumes, play games, enjoy some snacks and join in on some Halloween fun

**Where:** Rochdale Park

**When:** 1-3 pm

Please RSVP for the party by October 20. Please contact Trisha Cox at 248-910-6484 or Caryn DeWitt at 248-651-8336.

## THINGS TO KNOW

- Don't forget to vote on Tuesday, November 3
- Next board meeting date, December 1 at City Hall Rm. 221 at 6:30 pm
- Last date for yard waste pick up is on December 8

# ROCHDALE TIMES FALL 2015

## NOTE FROM THE PRESIDENT

Hello Neighbors,

Well summer has come and gone, but I think we ended it on a good note at the annual subdivision picnic. It was nice to see everyone enjoying food, friendship and the weather. Thanks to those who attended and brought some yummy dishes to pass. Also a special thanks to those who helped put it all together.

To follow-up on two items mentioned in the last newsletter. The Tree Planting program provided by the City has been very good to us. The original plan was to purchase two trees and split the cost with the City. As it turns out we will be receiving three trees at no cost to us at all. Thank You Rochester Hills! These trees will be planted mid-November along the Rochdale Drive easement south of the pond.

Also mentioned was the cloudy condition of the pond water. After speaking with the manufacturer of the muck digestive pellets we are using to reduce the muck layer at the bottom of the pond, it's been concluded the very low water exchange of our pond is the reason for this condition. Though this is aesthetically displeasing this at least let's know the pellets are working. The Board has made the commitment to use the pellets for two seasons (this being the first). We will have one more season of cloudiness as we strive to reduce the thick muck layer.

I hope everyone has been able to enjoy the great fall weather so far and let's hope Mother Nature has some more planned before we start to see the snow fly.

*Warren DeWitt*  
President

## NEW NEIGHBORS

Though not quite sure when the official move in day will be, Jack and Linda Christopher are the new owners of 1462 Rochingham. Working on some interior updates, but once finished, they and their daughter, Veronica, will be moving in. When we see the moving truck, let's take the time to introduce yourselves.

Congrats to Scott Siegel who has purchased his new home at 447 Rochdale. He and his two daughters, Kaitlyn and Cameron are all moved in and looking forward to some remodeling projects. Stop by and say hello before the winter weather shuts us all in.

## SUB DIRECTORY COMING IN EARLY 2016!

The Sub Directory will be updated in the next couple of months. Attached is an information sheet that we are requesting you to complete. The printed directories will be delivered early in 2016.
